

## Confirmation Covenant

We are excited you want to begin the confirmation process so that we can celebrate your decision to follow Jesus the entire St. John church family! Confirmation study is a year long process for high school youth who want to take responsibility for their faith and place in Jesus life-changing movement called "Church." We have five core learning courses as well as community building and mission activities. We will begin the process with a hike and conclude the process with a hike and celebration dinner in Floyd County. Confirmation is an intentional and cooperative process involving parents and youth.

Here are the steps to confirm your faith with St. John:

## Confirmation

- Sign a covenant indicating your commitment to complete the process
- Complete the five core courses during Sunday mornings throughout the year (9:45-10:45am)
- Participate in at least two community or mission events throughout the year
- Attend the hike and dinner celebration on Pentecost weekend
- Confirm your baptismal vows by affirmation of faith at the Pentecost worship service

I, \_\_\_\_\_, realize the confirmation process is an important step for my in my journey with Christ. I would like to take responsibility for my faith, and grow as a disciple of Jesus. I commit to completing the confirmation process to become a member of the St. John church family.
